Dickerson resident honored

Garth Seely, founder and program director for Landscape and Nature Discoveries (LAND) was awarded Montgomery County's Outdoor Educator of the Year for 2007. He was given his award by the Outdoor Education Association of MCPS.

LAND has just finished several projects in the community such as planting flowers at businesses in Poolesville, Beallsville and Dickerson. LAND, in association with Historic Medley District, also just finished planting in front of old Town Hall in Poolesville. LAND also worked in cooperation with the Maryland National Capital Park and Planning Commission to plant native grasses at the entrance to South Germantown Park.

LAND is a local 501 (c)(3) that provides outdoor education for kids by holding field trips, landscape clubs at schools and performing community service.
